“The Art of Place Making”

The Art of Place Making

*The Art of Place Making goes beyond great buildings and destinations;
It activates public domains, attracts and connects people
- where together they inspire, create and found pride with the community*

One of the World’s Largest Cultural Destinations

Stretching across a 40-hectare site, the West Kowloon Cultural District (“WKCD”) is one of the largest cultural projects in the world. Our vision is to create a vibrant cultural destination for Hong Kong where the local arts scene can interact, develop and collaborate. Paired with its acclaimed art and cultural facilities are 23 hectares of public open space with two kilometres of vibrant harbour-front promenade, on which we will produce, curate and host world-class exhibitions, performances, arts and cultural events.

A Place for Everyone

*Since its opening in 2019, the **Art Park** has become a magnet for the community, where public come and enjoy its widely stretched open space with a full Victoria Harbour backdrop. This green heart of the city not only promotes art, culture and well-being, but also welcomes various events and activities that enrich the vibrancy of WKCD. The WKCD Project is in full swing with popular performances held in **Xiqu Centre** and **Freespace** and with exciting exhibitions at **M+**, Asia’s first museum of contemporary visual culture, whilst **Hong Kong Palace Museum**, one of the world’s leading cultural institutions committed to the study and appreciation of Chinese art and culture opened in July 2022.*

Boundless Commercial Possibilities Await

*Although arts and cultural learning is at the heart of WKCD, it will also be a space that caters to all other joyful aspects of daily life – unwinding, working, dining, shopping and entertainment, which collectively we blend them all in as “**Culturalainment**”. WKCD offers an array of commercial spaces and business opportunities for visionaries and entrepreneurs to take part in this Art of Place Making.*

You are cordially invited to read through this Invitation for Expression of Interest document (“Invitation”) to understand the business opportunities we offer.

Welcome to be the Place Maker in co-creating a vibrant cultural district for Hong Kong.
